

## Obstacle Training Day

at

**Carmarthen Showground, Nantyci, Carmarthen SA33 5DR**

**On Sunday 16<sup>th</sup> June 2024**

This is our first opportunity to offer TREC obstacle training using the fabulous grass main arena at Carmarthen Showground. Whether you are new to TREC or just want a practice, then this day is for you!

You will have an opportunity have a go at the two phases that form part of an Arena competition to learn about all three phases of a Full TREC competition.

We will be able to offer all the 'large' obstacles that you would normally only find at a full summer TREC competition and will be able to set out a full 150 metre MA for practice.

You can either choose 'self training', or a guided session with a small number of participants. These will be guided by Chris Paine, an experienced competitor at all TREC levels, Technical Delegate, Judge, International Judge and insured TREC instructor as well as other helpers from Red Kite TREC Group.

There is ample parking, either on grass or hard standing

We will also set up a map room, similar to what you would find at a summer competition and an 'on foot' exercise for you to try.

Why not stay and have a chat and watch other riders? You will need to bring your own food and drink.

### **Entry Fee:**

Members of Red Kite TREC Group - £15. Non-members of Red Kite TREC Group - £25 (this includes RKTG membership up to 30<sup>th</sup> September 2024)

**Proof of public liability insurance required for all mounted attendees.**
